ORDINANCE, REGULATIONS AND SYLLABUS OF MSW Part II

To be effective from the academic year 2021-22

**Regulations Governing the Choice Based Credit System for the Two Years Post
Graduate Programme in Social Work (MSW)**

MASTER OF SOCIAL WORK (MSW) PROGRAMME

I. Specializations:

The MSW programme offers following four specializations in the beginning of the Third semester.

1. Group A : Human Resource Management (HRM)
2. Group B : Urban and Rural Community Development (URCD)
3. Group D : Family and Child Welfare (FCW)
4. Group E : Medical and Psychiatric Social Work (MPSW)

Guidelines for choice of specialization in Second year MSW:

At the beginning of the third semester, an eligible student will apply for the Specialization he/she wants by writing an application in the prescribed format. It should be submitted to the concerned Department / college, where he/she is studying within stipulated time. The Department / college after receiving such applications scrutinize for eligibility of the students and allotment of specialization shall be based on his or her marks obtained in the first year MSW Programme (Total marks scored both in first and second semester) and clear passed in all courses (papers) . Also almost equal number of students shall be allotted to each specialization from among the students admitted to third semester.

II. Attendance:

Each course (theory, practical etc) shall be treated as an independent unit for the purpose of attendance. A student shall attend a minimum of 75% of the total instructional hours in a course including assignments and presentations in each semester. The students shall attend the class room lectures, activities and field work regularly. At least 75% attendance in each course(paper) is essential to appear for the exam.

III. Field Practicum (Field Work)

A distinctive feature of instructional programme in Social Work is the emphasis laid on Social Work Practicum. A student shall be placed in a Community / Organization to gain experience of working with the people at individual, intra-group, community and organizational levels during the first two semesters and in a setting appropriate to their specialization during the last two semesters of MSW programme.

A. Objectives of Field Practicum (Field Work)

1. To understand the agency as a system-its philosophy, thrust, objectives, structure and management of service / programmes.
2. Develop skills in documenting and utilizing community resources both governmental and voluntary.
3. To develop ability to work as a member of a team.
4. To make conscious use of professional values and ethics.
5. To develop enhanced practice skills and integrate learning.
6. Develop skills to analyze the impact of the wider social system on individuals, families, groups, communities and organizations.
7. Develop the ability to involve the client system in the problem solving process, utilizing skills of social work intervention.
8. Develop skills in documenting and utilizing community resources both governmental and voluntary.
9. Reinforce belief in the inherent strength of the people to meet their needs and resolve problems.

B. Field Practicum (Field Work) Rules and Regulations

Students placed in their respective organization or community for concurrently two days in a week and shall put in not less than 15 hours a week for field practice training. Students should complete minimum 20 Field Work Visits in Agency / Organization / Industry and or open community in each semester of MSW programme. In Semester III & Semester IV the students will practice their fieldwork in their

respective specialization set up and should attend atleast one seminar / conference/ workshop and submit the certificate of participation or attendance of the same to their faculty supervisor .

The students are required to submit the hand written reports and a dairy in a structured format once a week to their respective faculty supervisors for evaluation and continuous guidance. The agencies are also expected to designate an agency supervisor, preferably a trained social worker to monitor the field work trainee at the agency level. The trainee shall take all the possible initiatives to participate in all the learning activities of the organization placed for training and shall attend the individual and group conferences regulating with regard to integration of theory and practice

Only those students who have put in a minimum of 75% attendance in field practicum are eligible to appear for the practicum examination (viva- voce). The viva-voce shall be jointly conducted by one internal and one external examiner selected from the panel of examiners and as approved by the University. A minimum of 50% of the marks shall be scored to pass in the field practicum assessment and viva-voce separately. The failed candidate in field practicum (Field Work) in any semester shall not be promoted in next Semester. They have to redo the field work by fulfilling all other requirements stipulated in this regard.
