Program Outcomes (PO's):

The Master of Social Work program prepares students to become competent and professional social worker by inculcating human values. It creates the respect towards diversity and makes them to work for social and economic justice as a central to their practice by seeking them to apply their knowledge, values and skills to improve human well being. This program will help to

PO1. To understanding the forms and mechanisms of oppression and discrimination and the strategies of change that advance social and economic justice.

PO2. Understanding the history of the social work profession and its current structures and issues. Applying the knowledge and skills of generalist social work to practice.

PO 3. Applying knowledge of bio-psycho-social theoretical frameworks to understand the interactions among individuals and between individuals and society

PO 4. Analyzing the impact of social policies on individuals, groups and communities.

PO 5. Acumen for scientific research studies and integrating research findings to practice

PO 6. Using communication skills differentially with a variety of stakeholders
